- **Welcome/Introductions (All Present)**

Welcome to our first in-person/virtual hybrid meeting!

- **Principal Update: Claire Mognaga**

- Hopefully everyone loved Open House! It seemed to go really well.
- Spring Sessions at DPIE have 195 students enrolled! That is a record.
- After Spring Break, we kicked off some behavior reminder assemblies.
- Today we have Chez Anami come present an assembly with traditional dancing and music. Boosterthon funds supported this.
- Yesterday there was an earthquake drill.
- The principle coffee last week had some wonderful ideas shared. Claire will be passing these along to the new leader.
- Groups of teachers have received one day of release time to do some end of school year planning.
- PFC is having some great events! Movie Night, Field Day...
- 5th grade families had a meeting last night for end of year planning. Tie dye shirts, own Field Day, park, breakfast in MPR facilitated by JT Ruch.
- The interview panel for the incoming Principle will be comprised of current staff members, parents, another current Principle as well as District staff. A second member of e-cabinet members will then interview a second round. Hope is to have someone in place by 5/23.
- A new marquee has been ordered for the front of the school.

- **Department Updates**

- *Co-Presidents: Yumi Lee & Dana Ede*
 - **23/24 PFC Board Positions**

Actively looking for VP as well as a Teacher Luncheon committee. The latter will not be a board position, but rather a support role so Events can focus on the larger scoped school-wide events.
 - **Story Walk Update**

Raised \$2,700 from book fair. Lori is giving all to PFC plus an additional \$1,400 that was already set aside. Lori will continue to meet to gather info on cost. She met with facilities to see if they would handle the labor aspect. Hopefully we'll just need to pay for the actual materials. If there is money leftover, that will be passed

to ASB.

- **Faculty Appreciation Gift**

Happens during second week of May. Hoping to supply some appliances to the staff room. For example: coffee machine, toaster/toaster oven, condiment organizer, drying rack, dish soap, sponges, decor. Additional ideas are: blender, coffee supplies (k-cups, syrups, etc), Nespresso, stocking the fridge with sparkling waters, snacks. Budgeting \$500. Camille motioned, Michelle seconded. All in favor.

- **Admin Appreciation**

Next Wednesday, 4/26 we'll have a Panera catered lunch for the admin staff in the office.

- **Earth Day**

Lakshmi has put together a Zoom event. She has 7 students participating that will pre-record a video on various topics. They'll have some activities as well. She will have a Bingo game on Zoom, but would like this to be advertised so that families know they can do this at home also at their leisure. Event is from 9:30-10:30 on 4/22.

- **Funding Request**

The office has requested some umbrellas for the patio tables and eating areas. They are \$100 each, and would like a minimum of 6. There are 19 total tables. We have \$1k set aside for facilities needs, but have plenty of money to shift around within the budget. Michelle motioned to approve, Erica seconded, all in favor.

- **DPIE Fireworks Booth**

DPIE asks for volunteers from each campus to fill the shifts at the booths. \$100 per person that we can fill will benefit the school. In the past, this has been offered to the 4th grade class as a fundraiser opportunity. Yumi reached out to Angie and Lakshmi who are interested in taking advantage of this.

- **Event Coordinator: Teagin Bland**

- **Movie Night**

Taking place this Friday from 5:30-7:30. Pre-sale tickets only. No day-off tickets will be sold. Snack boxes are included in the ticket price. Popcorn will also be sold onsite. Formal seating. Movie, Encanto, starts right at 6:00. Chose to hold in the MPR so weather was not an issue. Extra popcorn and drinks sold for \$1. Encouraging families to bring their own meals. Have all volunteer slots filled.

- **Teacher Appreciation Week**

Hollywood Theme - May 8 thru 12. Putting props on doors for teachers. Each grade will have a different prop on the windows. Ms. Perez will have each student write on the props. Our specialists (Counselors, PE, Science, Band, etc), student council will help with filling out the props. One day during the week will focus on support staff. Decorations with props will need to be put up the Sunday prior, May 7th. Throughout the week parents can be involved. We'll pull from the

FutureFund list. The actual teacher lounge will have a Hollywood background with a red carpet, paparazzi cut-outs. Each day the decor will vary.
Monday - VIP fridge stocked with breakfast items. Fan mail - complement your teacher with a home-made card.
Tuesday - Coffee rolling cart. Give your teacher a flower.
Wednesday - Catered lunch. Dress like your teacher/wear their favorite color.
Thursday - Cinema snack bar. Treat your teacher with kindness.
Friday - Swag bag.

- *Secretary: Camille Arroyo*

- *NEW! Spiritwear Store*

- Grand opening sale ends on Monday, 4/24. Last chance to save 25% sitewide with free shipping on orders over \$75.

- *Field Day*

- Taking place on Friday, 5/26. SignUp Genius to go out soon. Rely heavily on parent volunteers.

- *Spirit Fridays*

- Inspire positive culture for students. Bubbles, music, committee? Suggested to do the 1st & 3rd Friday. Camille to put together a committee description for next year. Teagin to research bubble machine cost.

- *Fundraising: Michelle Arrington*

- Panda Express earned about \$300.

- Armadillo Willys dineout on 5/7 from 12-3PM.

- Frankie Johnnie & Luigis on 6/1.

- **Open Discussion (All Present)**

Meeting adjourned at 8:07PM.
